BURLINGTON HIGH SCHOOL
BURLINGTON
MASSACHUSETTS

Three years ago Mrs. Francine Partridge became an indispensible part of Burlington High School. At the same time, we, the class of 1973 became members of this school. Our mutual respect and understanding for one another has grown over these years.

Through her unselfish contribution of time and involvement "Sis" has instilled in us a sense of pride and faith in our abilities to succeed — individually and as a class.

The love and respect that she personifies has touched each and every member of the class. For this reason we dedicate our yearbook to "The Lady at the Switchboard" — Mrs. Francine Partridge.

EYES OF A CHILD

Listen hear the sound
The child awakes
Wonder all around
The child awakes
Now in his life
He never must be lost
No thoughts must deceive him
In life he must trust

With the eyes of a child
You must come out and see
That your world's spinning round
And through life you will be
A small part of a hope of a love that exists
In the eyes of a child you will see

Earth falls far away
New life awaits
Time has no day
New life awaits
Here is your dream
And now how does it feel
No words will go with you
And now what is real?

I'm gonna' sit and watch the web
That you will build this day
Will be a thread of love you weave
It's yours to show the way
Then everything will be as you will see
In the light

With the eyes of a child
You must come out and see
That your world's spinning round
And through life you will be
A small part of a hope of a love that exists
In the eyes of a child you will see

SUPERINTENDENT'S MESSAGE

Wisdom . . . knowledge . . . concern for others . . . compassion . . . empathy . . . tolerance . . . are a few of the objectives that education as a moving force in Burlington will strive for constantly. You, as citizens of the school, of the community, and of the nation, are the implementers of such objectives for all mankind, for it is only through these qualities that the spirit of human understanding and human dignity can prevail throughout the United States and, indeed, throughout the world.

You are about to embark on life's road, hopefully, armed to meet those challenges inherent in living. We have attempted in Burlington to provide you with the strengths that will characterize the role that you will play in finding solutions to problems that will confront each and every one of you in the years ahead.

The challenges are great . . . The task immediate. Procrastination is no longer tolerated in modern day dynamic society Young men and women must have answers based upon years of nurtured learning experiences that have been provided through your interaction with dedicated teachers and administrators and a most responsive and committed Burlington citizenry.

To each of you I offer my sincere congratulations and heartfelt best wishes in a most meaningful and happy life throughout the years ahead. Capture each moment . . . Embrace its significance . . . Make life meaningful, for within this spirit will we together be able to bring about the true meaning of understanding not only within the community in which one lives but also throughout the world.

Most sincerely,

Thomas Michael

ADMINISTRATION

To the Class of 1973:

Heartiest congratulations and best wishes to the first class to graduate from the new Burlington High School!

The school experiences that provided you with excitement, happiness, and frustrations are behind you. For the remainder and greater part of your life, you have immeasurable control over your destiny. The richness of life that awaits you is yours if you seek it. The dullness, drudgery and unfairness of life is yours also. The man who is thankful for what he has and appreciates what life has to offer, has the opportunity to be happy and productive and can bring joy to himself and to others.

May you prosper in the art of living a full and happy life.

Eat 'em up, eat 'em up.

The map says we're in front of the office.

You've got to be kidding!

Where are the teachers?

It's OUR turn girls.

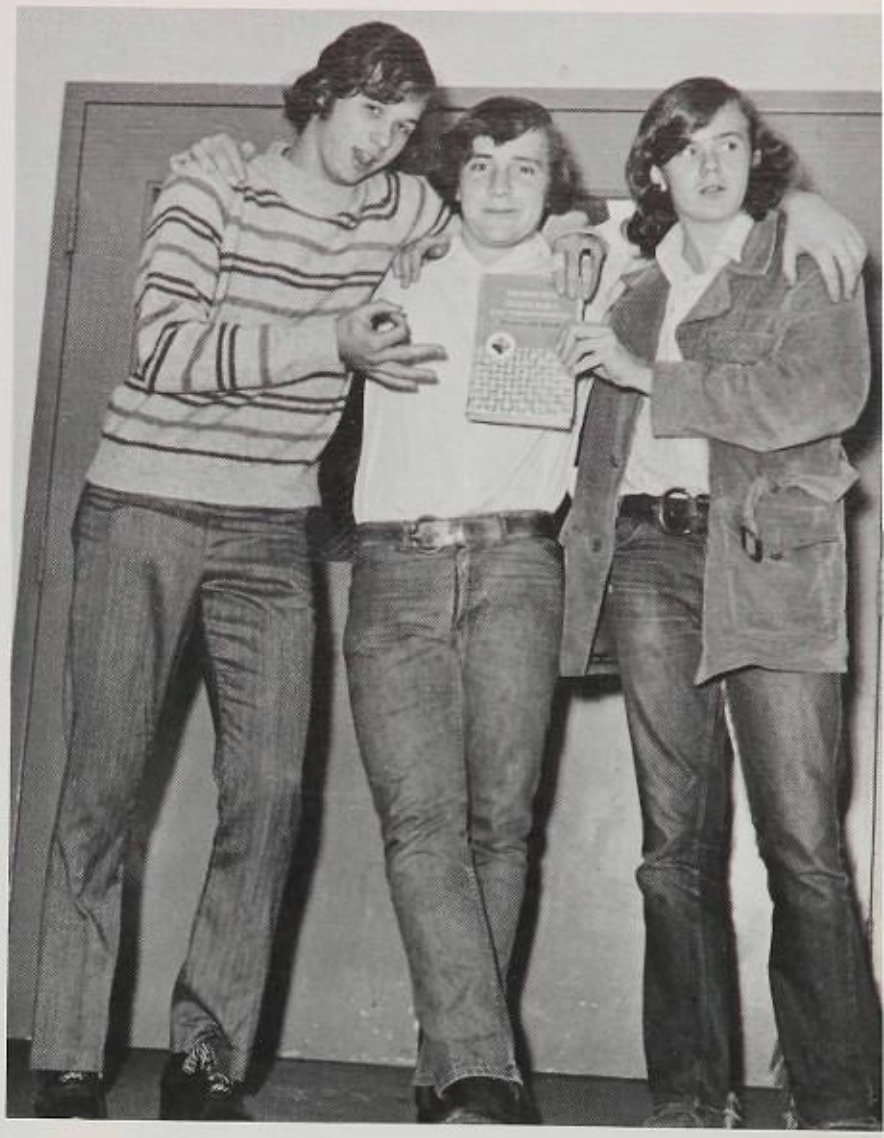
Donna, what would my mother say?

Teacher, Bobby's hittin' me.

ACTIVE students???

Tee Hee Hee

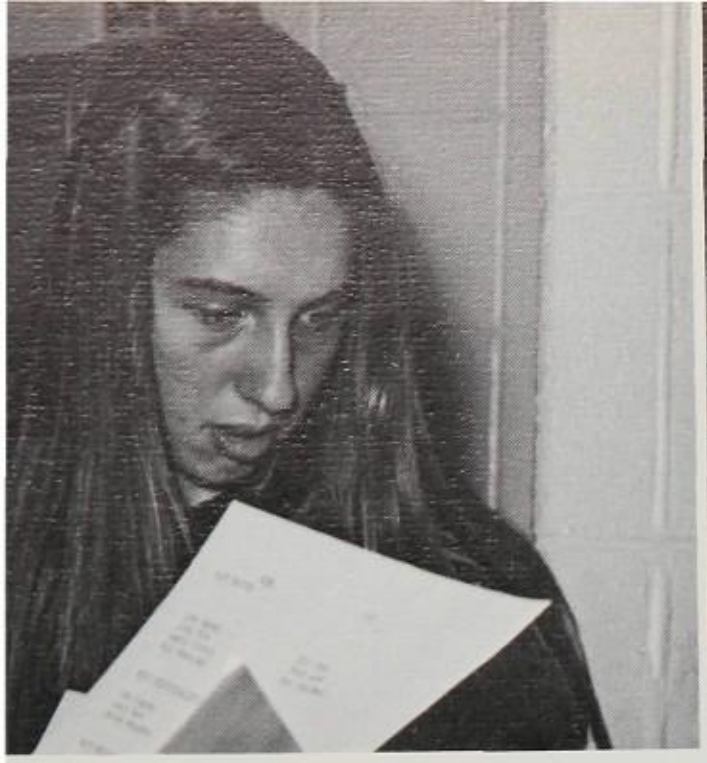
All this is just too much!



The three Musketeers.

Mmm mmm . . . good!

Captain America.

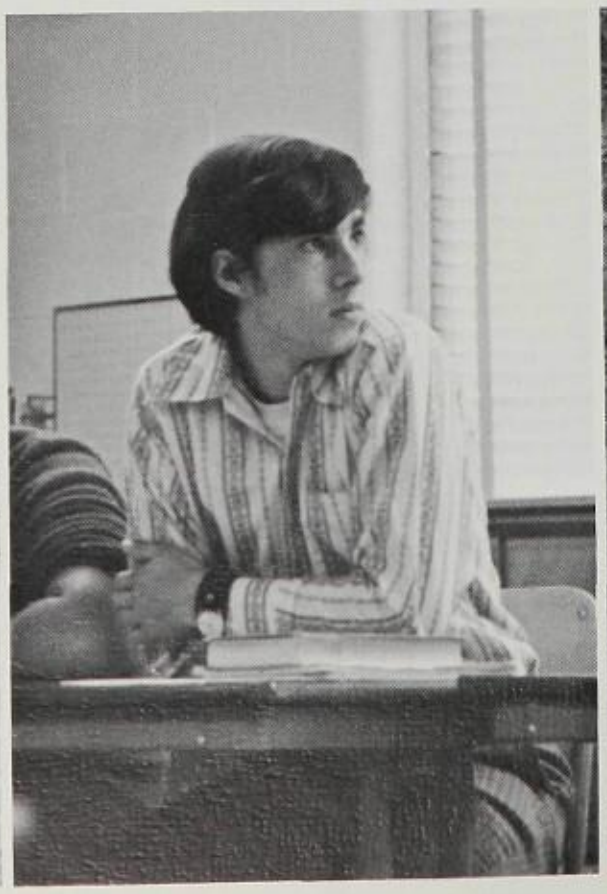


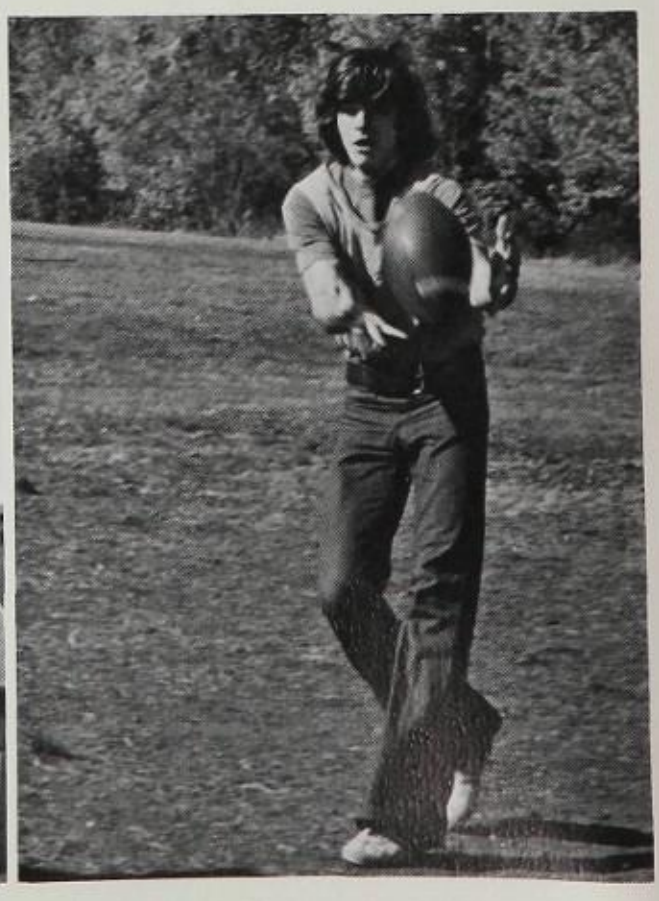
Take MY picture.

Now listen to what I have to say.

How about her, John?

I'm cool, How 'bout you?

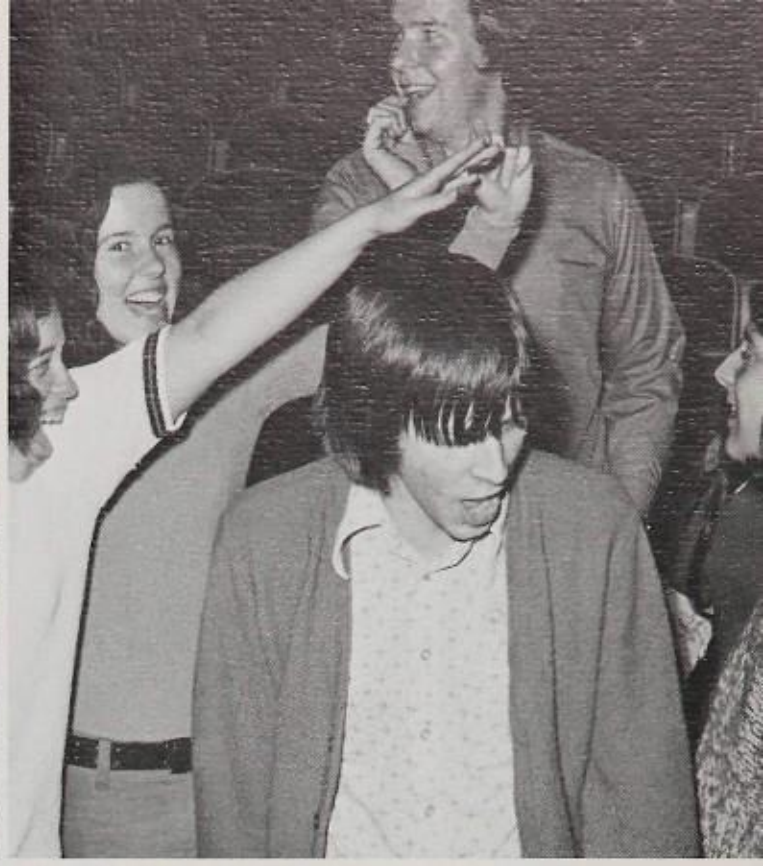




One of our more enthusiastic students.

My big chance . . .

choo choo



Can't hack these teeny-boppers.

Sr. girls get ready for the powderpuff game.

I just don't get it.

Betcha can't eat just ONE.

i think i remember
when you used to
ask me worthless questions
of la mathematica when
my heart cried for the
air, to wing about, a swallow
hovering above such non-
sense — perhaps to become a
negative radical and exist
outside of this world you've
created for the pleasure you planned
i should enjoy —
and i hear in the distance
faint upon another cloud
a note from another key
and i know you've found your wings
shall we join in song?

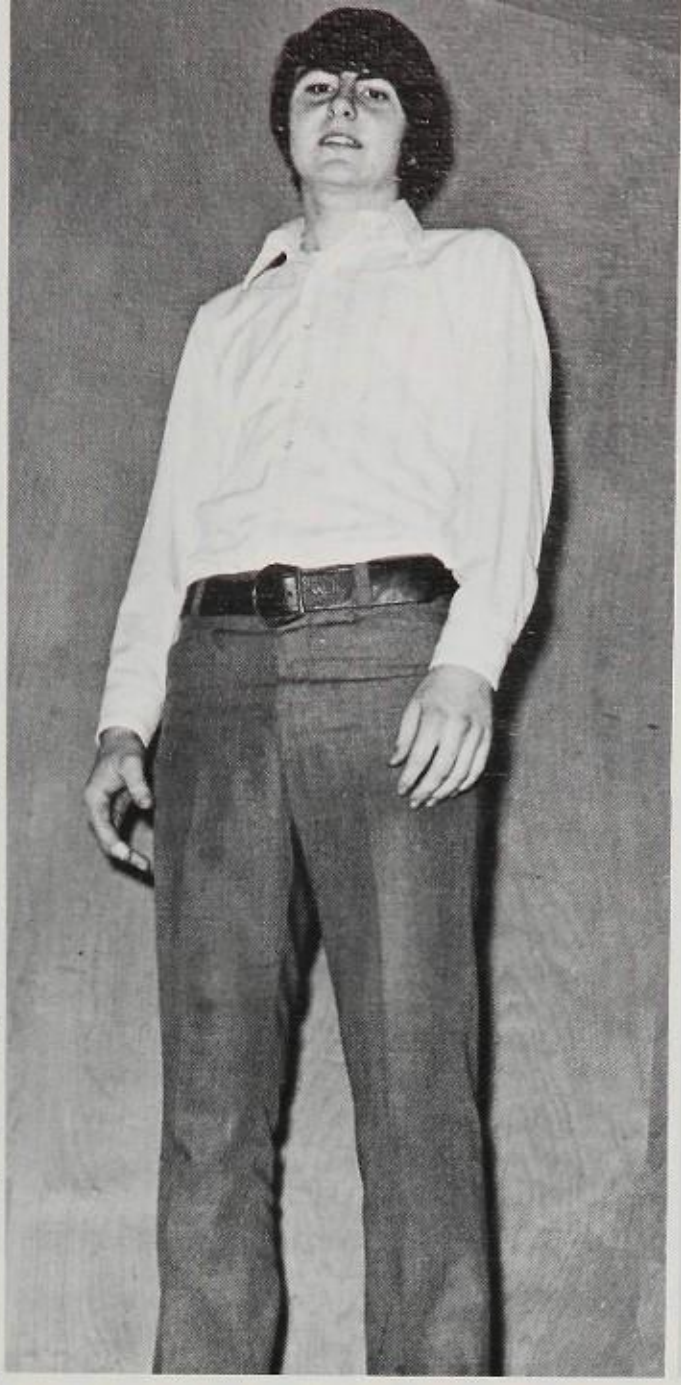
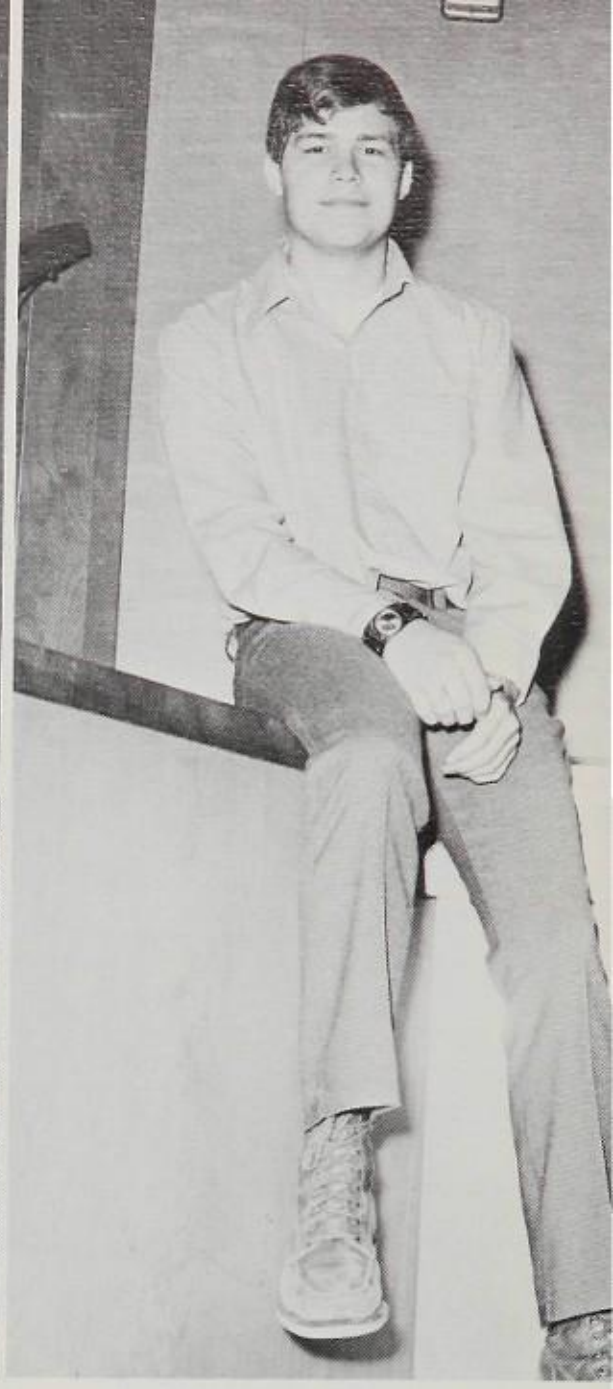
Al Vaccaro, Valedictorian

The valedictorian of the class of 1973 is Al Vaccaro. A concerned young man, he has presided over the 1972-1973 National Honor Society, which established and sponsored a "Students to Tutor Students" program. Another of Al's academic achievements is being a member of our "It's Academic" team. Outside of his studies, his greatest interests are playing Varsity basketball and traveling. Among his life's plans is to travel as much of the world as possible. Next year he is planning to go to college pursuing the field of urban studies and affairs.



Phil Howells, Salutatorian

Phil Howells is the class salutatorian. He is interested in individualistic sports and has participated in cross country and track and field as a Varsity team member. Phil is also a member of the National Honor Society. Among his academic accomplishments, he was a member of the team representing B.H.S. on "It's Academic." Being intrigued by life, he hopes to major in biology in a pre-med course at either Tufts or Brandeis.



Harvey Soldan, Essayist

Harvey Soldan is our class essayist. Harvey has been a member of the Math Team, Ski Club, and track team. He also represented Burlington on the "It's Academic" team. Along with these activities, Harvey also finds time to enjoy skiing and singing in the Select Chorus. He has a lead part in this year's production of "Applause". We are sure Harvey will be successful in his pursuit of a career in medicine.

LET US PRAY THAT STRENGTH AND COURAGE ABUNDANT BE GIVEN TO ALL WHO WORK FOR A WORLD OF REASON AND UNDERSTANDING AND THAT THE GOOD THAT LIES IN EVERY MAN'S HEART MAY DAY BY DAY BE MAGNIFIED AND THAT MEN WILL COME TO SEE MORE CLEARLY, NOT THAT WHICH DIVIDES THEM, BUT THAT WHICH UNITES THEM, AND THAT EACH HOUR MAY BRING US TO A FINAL VICTORY, NOT OF NATION OVER NATION, BUT OF MAN OVER HIS OWN EVILS AND WEAKNESSES. THAT THE BLESSING OF PEACE BE OURS, THE PEACE TO BUILD AND GROW, TO LIVE IN HARMONY AND SYMPATHY WITH OTHERS, AND TO PLAN FOR THE FUTURE WITH CONFIDENCE.

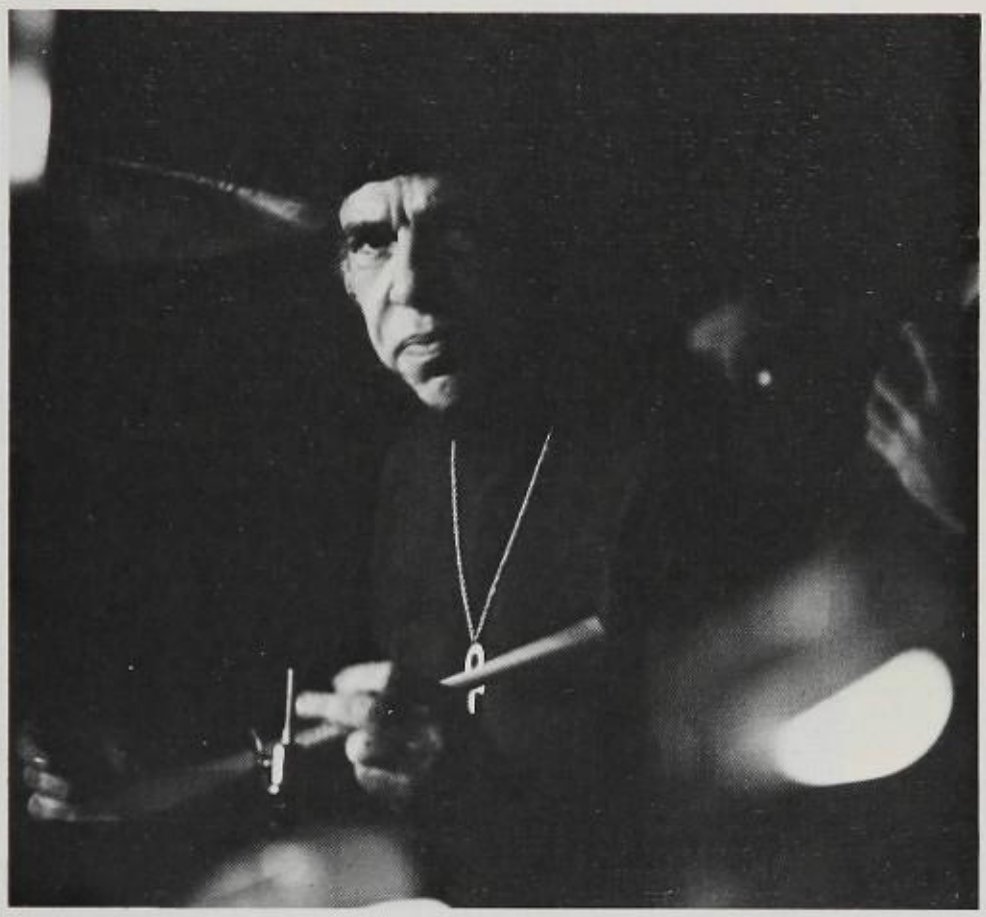
THE STAGE BAND AND MR. BUDDY RICH



Mr. Buddy Rich

The Burlington High Stage Band has enjoyed fantastic musical success and warm community acceptance during the year while under the direction of Mr. Douglas McIntosh. The band performs an exciting blend of rock-jazz music and has already played two concert dates with the world-renowned Buddy Rich Orchestra. In addition, the band has twice participated in the Festival of Stage Bands at the Berkley College of Music in Boston and received excellent ratings on both occasions. Participation is voluntary and open to all interested students.

TRACK

This year's track team is, in two respects, brand new. It has a new coach and is competing in a new league. The team is running in the Middlesex League this year, both indoors and outdoors. Indoors, the events include the shot put, the high jump, the 45 yd. dash, the 45 yd. high hurdles, the 300 yd. dash, the 600 yd. run, the 1,000 yd. run, the mile, the two mile, and the relay.

Outdoors, the events are different. They are the high jump, the long jump, the pole vault, the shot put, the discus, the triple jump, the 100 yd. dash, the 220 yd. dash, the 440 yd. dash, the 880 yd. run, the mile, and two mile, the 180 yd. low hurdles, the 120 yd. high hurdles, and the relay.

For the first time in Burlington's history, girls competed on the same field as the boys during indoor track. Many other schools in the League also have girls competing.

Peter McCafferty, Jack Morehouse.

The class of '73 saw the beginning of interscholastic soccer at Burlington High. Scott Duncan and Peter McCafferty captained a team that was 60% sophomores to a very respectable 6-7-1 season against teams that had been playing soccer for years. Winning 4 of the last 5 speaks highly of this team's courage. When Rich Bailey dislocated his knee in the middle of the season David Ray came in to man the goal and led us to our most important win — 2 to 1 over Concord. Jim Donahue, Bill Knowles, and Frank Castiglioni played hard at the halfback positions helping the underclassmen. The brilliant play at fullback of Bob Armstrong, the gutsy cover of Rick Wright, the strong all-around play and desire of Cosmo Ciccarello, and shots of Richie Flynn bode well for next year. But who can forget Scott Duncan's behind-the-back heel pass to Peter who then dribbled past the goalie to score and lead the team to a fourth quarter win in the next to last game.

CROSS COUNTRY

FROM LEFT TO RIGHT: Coach Connor; Seniors: Dwight Barnes; Rick Mayo; Keith Lewis.

The Cross Country team, due to a variety of circumstances, had a poor 0-9 record. The team labored under the burden of no returning lettermen, the teacher strike, a late start, and a new coach. The team showed future promise with all seven lettermen being Juniors and Sophomores. Of particular promise were Juniors Jon Tullis and Austin Overturf, and Sophomores John Polli and David Kern. With a good spring track season and summer practice the team should show considerable improvement next year.

BASEBALL 1972

The 1972 Baseball team paced by co-captains John Ganley and Bob Kennedy finished second in the Merrimac Valley League, qualifying for the state tournament with a 10-4 league record and a 14-5 overall record. The state tournament berth was the fourth in the last five years.

In the state tournament the team lost a heartbreaking eleven inning game to Northeast Conference winner Winthrop 6-5.

Three boys were named to the Merrimac Valley League All Stars — Bob Kennedy, David O'Neil, and Rick Cessere.

The 1973 team has one starter back from 1972, SS Richard Flynn; two lettermen infielders, Dwight Barnes and John Oulette. This year's team is also moving to a new league — the Middlesex League.

The three lettermen, supplemented by the return of Gary Demone, injured in 1972, plus last year's strong J.V. team and a few prospects from last year's Soph and Frosh teams could produce another strong team in the tradition of Burlington Baseball.

STUDENT COUNCIL

Like so many other organizations, the Student Council for 1972-1973 had to cope with, among other things, moving to the new high school. However, under the guidance of a new advisor, Mr. Howard Gilmore, the Council was able to get its work done.

Mr. Gilmore, along with the Executive Board, was responsible for bringing the Massachusetts Association of Student Councils' annual convention to Burlington. This convention, held the weekend of May 12, was the major project for the year, and entailed much hard work on the part of many members.

Once again, the Student Council organized a very successful Mini-Course Day. This has all but become a B.H.S. tradition, and Council is responsible for generating the enthusiasm.

Future Councils will encounter such problems as Open Campus, Open Space, Student-Faculty Council, and Curriculum Development for the new high school.

LEADER CORPS

Leader Corps is an organization designed for girl students to help the female Physical Education teachers during their gym classes and free periods. These girls assist Miss Somensini, Miss Maciel, and Miss Hyland in various ways such as getting equipment and running errands. Members of this organization along with members of girls' sports comprise the Girls' Athletic Association. Members of G.A.A. participate annually in such activities as candy sales and calendar sales and also attend the G.A.A. Banquet held annually.

COLLAB

COLLAB, our school's literary and art publication, allows collaboration between the English and Art Departments as well as between students and faculty.

The purposes of COLLAB are manifold. Mainly, students are encouraged to utilize their creative talents in a constructive way.

COLLAB attempts to present our school body's finest achievements in literature and art. In this way, it elevates the cultural atmosphere of the school.

The staff hopes that future issues of COLLAB will continue to motivate not only the obviously talented, but also the students who have lacked the confidence to produce the kind of work of which they are capable.

SPECIAL THANKS TO: Steve Bocko and John Mosey, last years veterans, for their aid.

THE DEVIL'S ADVOCATE is the school newspaper. This year there are four co-editors, Lynn Washburn, Sue Burnett, Kevin Maguire, and Debra Russo. Other students who have contributed to the publication of the paper are Sandy McRae, Sue White, Betsy Burgomaster, Terry Maguire, Steve Hustings, John Janerico, Richard Primmer, Denise Bramanti, Lisa Alberghini, and Danny Martin.

The purpose of a school newspaper is to present news of interest and to voice student opinions. As in previous years student apathy and lack of involvement continue to be the major problems of the paper. For these reasons alone THE DEVIL'S ADVOCATE comes to you by means of a few.

COMMUNITY AMBASSADOR '72

Adele Nunno was selected as Burlington's first "Community Ambassador". She traveled to Italy in the summer of 1972 on a program sponsored by the Experiment in International Living. For one month, Adele lived with an Italian family in Catania (Sicily), Italy. Following her homestay, Adele traveled with her group thoughout Italy.

Adele's scholarship was financed through a variety of fund raising activities and community donations. The Faculty Committee was composed of Miss Ross, Miss Rubin, Miss Fulco, Miss Ertel, Mr. Doyle and Mr. Young.

GIRLS' STATE

Each year a Junior girl is selected to represent her school at the Massachusetts Girls' State. It is a seven day workshop dealing with government and the way it is run. The program revolves around lectures, town meetings, party caucuses, conventions and finally elections.

The thing that really makes Girls' State a great experience is the people. Helping each other in campaigning and working for a specific candidate creates a really exciting atmosphere. Sharing in experiences and exchanging thoughts and ideas with others makes Girls State a learning experience, both academically and socially.

Sue Burnett, Burlington's Delegate to Girls' State.

AFJROTC

Women in government and women in business are becoming "old hat" these days, but high school girls being completely integrated in R.O.T.C. cadet corps? 1972-1973 saw the start of this as R.O.T.C. goes into its fourth year. Prior to this year females could enroll as "special students" allowed to participate as a full fledged cadet.

Colonel Quercia now in his sixth year of the A.F.J.R.O.T.C. program says that numerous changes have taken place in the program. During it's first year at B.H.S. it enrolled only 35 students, that number has increased to 80, 12 of which are females.

R.O.T.C. meets everyday, 5 days a week, 1 period a day. Some of the curriculum involved in this course includes: aerospace discipline, meteorology, theory of flight, propulsion systems, space mechanics, and regular marching drills. R.O.T.C. has proven to most graduates to be a very beneficial investment.

SKI CLUB

The Burlington High School Ski Club consists of approximately 100 students, who ski on Sundays during the winter. Mr. Kouloheras and Mr. Razzaboni are the ski club advisors, who chaperone all of the ski trips. The past two years the ski club has traveled to Sugarloaf Mountain, which is considered to be one of the finest ski areas in the Northeast. Several members of the club spent February vacation skiing down the Swiss Alps for nine days. Besides skiing, the ski club has many activities of which they are involved with for the duration of the year.

ACCOUNTING CLUB

MEDICAL CAREERS CLUB

Medical Careers Club consists of a number of students wishing to further their education in the Medical Field. The club includes weekly visits to various hospitals and medical schools.

The purpose of the club is to provide the students with an insight into the challenge that awaits them after graduation.

These students will be able to walk proudly into a rewarding life dedicated to the health of society and the alleviation of human suffering.

FUTURE TEACHERS OF AMERICA

The Future Teachers Club is designed to help those students who may be interested in majoring in education. It offers practical experience by allowing the student to teach in an elementary school. It offers the student the opportunity to discuss any of his opinions or questions with both new and older members of the teaching profession. The club assists the student in his decision on whether or not teaching should be his chosen future profession.

MATH LEAGUE

FIRST ROW: FROM LEFT TO RIGHT, Mr. Nolan, Advisor; Karl Franzen; George Yu; I. Shing Lee; Mr. Dube, Advisor; Pat Kent. SECOND ROW: FROM LEFT TO RIGHT, Cheryl Cassidy; Dwight Barnes; Harvey Soldan; Lindsey Eck; Brian Hagopian; Wolf-Dieter Krahn.

The Burlington High School Math League is comprised of those students who excel in mathematics. Burlington's team is a member of the Massachusetts Math League. The team has posted a respectable standing in placing third of the ten teams competed against.

Brian Hagopian has consistently been a high scorer for Burlington and has been rated as the number two high scoring Senior in the Massachusetts Math League. Underclassmen Wolf-Dieter Krahn, a Junior, and I. Shing Lee, a Sophomore, show great promise in continuing the type of record the 1973 Math League has achieved.

S.H.I.P.

S. H. I. P.
Students Helping Individual People is in its third year of operation at Burlington High School. SHIP numbers approximately 60 students who volunteer their time and service every Tuesday afternoon after school to help the patients at the Greene Blind Unit at the Walter Fernald School in Waltham, Mass. All the patients in this building are multi-handicapped, blind and range in age from seven months to 70 years in age.
